

Gulet Charter Bed & Breakfast Events

Yasanti, means in turkish "a way of living". It's a modern classical style sailboat, 25 m LOA.. She has professional sails, two masts and is specially equipped to use it's sails and move through the water by the force of the wind. It has also an engine 240 hp.

The comfortable furnished with woodwork interior and the spacious cabins, give all the necessary comfort to enjoy of a very pleasant vacations.

The Yasanti and its professional crew port basis is **Barcelona**, Marina Port Vell, and during the summer time in **Ibiza** (Balearic Islands).

Yasanti gulet has five double beautiful and spacious cabins with complete bathroom for up to 10 people.

You can ask for your "own and personal travel" ever you want int the Mediterranean Sea.

In Barcelona City, the gulet offers the Bed & Breakfast service to sleep and in the morning a complete breakfast will be served. It's perfect for a romantic night and to rest after a hard working day in the city.

Navigation during two or three hours to discover a very different Barcelona, Barcelona from the sea.

It's an ideal place to special celebrations, in the heart of Barcelona, with catering service ,alive music, open bar, shows, etc.

YASANTI is not a closed boat, all the contrary, our desire i to show you our "way of life" where respect, freedom and enjoying life and nature prevail, exciting all of those who share it.

We want to talk with you and together decide the route to take during your stay onboard.

It will be a pleasure to share it with you.....
